- ◇ 1 cup of basmati rice
- ◇ ½ cup of edamame seeds
- ◇ ½ cup carrots, cut in 1-2 inch chunks
- ◇ 1 cup cauliflower florets
- ◇ ½ cup chopped red onions & ¼ cup thinly sliced red onions
- ◇ 1 tbsp ghee
- ◇ 2 tbsp canola oil
- ◇ 1-inch cinnamon stick
- ◇ 2-3 count green cardamom
- ◇ ½ tsp cloves, whole
- ◇ ¼ tsp cumin seeds
- ◇ 1 tsp garam masala
- ◇ 2 tbsp golden raisins
- ◇ 8-10 count cashews
- ◇ ¼ cup cilantro, chopped
- ◇ 3 cups water

1. Wash rice and set aside for 15-20 minutes.
2. Add ghee and canola oil to the Crock-Pot® Express Crock Multi-Cooker. Turn the Express Crock on and set it to the **BROWN/SAUTÉ** setting. Fish out the puffed raisins and golden cashews and set aside.
3. In the same pot, add sliced onion. Cook until brown and crispy, and fish out onions leaving the remaining ghee in the pot. Spread them on a paper towel.
4. Add cinnamon stick, cloves, cumin seeds and green cardamom to the same pot. As they sputter, add chopped onion. Cook until golden, 8-10 minutes. Add salt and garam masala and stir.
5. Add veggies, rice and water. Close the lid and place the steam vent on the lock position. Turn the pressure cooker to the **RICE/RISOTTO** setting. The Express Crock will tell you when the cooking process is over, approximately 12 minutes.
6. Once the food is cooked, the Express Crock automatically switches to warm. Turn the steam vent to the open position. Wait until the steam has escaped from the pressure cooker.
7. Garnish with golden raisins, cashews, brown sliced onion and cilantro. Serve hot with raita.

Pumpkin Cheesecake

Prep: 15 mins
Cook: 35 mins

6-8 servings

vegetarian

gluten-free

INGREDIENTS

CRUST

- ◇ 1 ½ cups gingersnap cookies, approximately 30 cookies
- ◇ 3 tbsp butter, melted

FILLING

- ◇ 2 8-oz packages cream cheese, softened
- ◇ 1 cup granulated sugar
- ◇ ¾ cup canned pumpkin
- ◇ 1 tbsp pumpkin pie spice
- ◇ 2 tbsp all-purpose flour
- ◇ 2 tbsp whipping cream
- ◇ 2 eggs, lightly beaten
- ◇ 1 tsp vanilla extract
- ◇ Whipped cream

CRUST

1. Spray a 7-inch springform pan with non-stick cooking spray, set aside.
2. Add gingersnaps to a food processor and pulse until fine crumbs are formed. Add butter, a little at a time, pulsing after each addition until butter is evenly mixed into the crumbs. Spread evenly into the springform pan. Firmly press the crumbs into the pan to form a crust, starting in the center, working toward the edges and bringing a little up the sides of the pan.

FILLING

1. Using an electric mixer, beat the cream cheese and sugar until smooth. Add the canned pumpkin, pumpkin pie spice, flour and whipping cream, beat until well blended. Add the vanilla and eggs, beat until combined. Pour into the crust.
2. Add 2 cups water to the Crock-Pot® Express Crock Multi-Cooker. Place the steaming rack into the pressure cooker.
3. Fold a 2-foot-long piece of foil over about 3 times lengthwise to create a sling. Set the pan onto the center of the sling, lift and set into the pressure cooker. Fold down the edges of the foil to allow room for the lid.
4. Put on the lid making sure it is in the lock position. Set the valve to the "Seal" position. Press the **DESSERT** button, adjust the pressure to HIGH, and set the time to 20 minutes. Press **START/STOP**.
5. After 20 minutes, allow the pot to naturally release for an additional 15 minutes and then release any remaining pressure with the steam release valve. Remove the lid

NOTE: you may see some water pooled on the top of your cheesecake. Use the edge of a paper towel to gently remove any moisture from the top of the cheesecake. Carefully remove the cheesecake from the pressure cooker. Allow to cool for at least an hour. Refrigerate 4-6 hours or overnight. Top with whipped cream.
