Return your product to Parker using the shipping label provided. You will need to print three copies of the international invoice provided and either attach them on the outside of the package or hand them to the UPS employee. Please do not amend the existing invoice or try to fill

out the blanks. This may cause a delay in our service or result in extra charges due to customs.

7. **Shipping Tips:** Please do not return your product in its original gift box and pack it securely in the bubble wrap. Please note, that in the case of a leaking refill, the original refill/converter must be returned within the pen. If the original refill/converter is not provided, a quotation will be issued for the repair.
8. **Claim Acceptance, Repair Assessment, and Quotation:** You will be informed by email once your product is received in our repair center. We usually need 2-3 business days to assess the received product. After the assessment, one of the following will occur:

  - b) If the warranty claim is accepted but we cannot repair your product, we will replace your original product free of charge by an equivalent writing instrument (with your acceptance of the equivalent replacement product) and ship the replacement product back to you to the address provided. In this case, your original product will be retained by the repair center.
  - c) If the warranty claim is not accepted but we can repair your product, you will receive a repair quotation by email, and you will have two options:
    1. You can accept the repair quotation by clicking “View Quote” and then selecting “Accept Quote” and pay the repair fees using the payment link provided. Once the payment is accepted, we will proceed with the repair and your repaired product will be returned to you to the address provided. In case of spare part exchange, we will return the original spare part back to you with the repaired writing instrument.
    2. You can reject the repair quotation by clicking “View Quote” and then selecting “Reject Quote.” In the case of a rejected quotation, your writing instrument will be shipped back to you free of charge to the address provided.
  - d) If the warranty claim is not accepted and we can't repair your product, you will receive a discount code to purchase a new writing instrument through our Consumer Care team. In order to redeem a discount code, you will need to contact the Consumer Care team and choose the product from the list provided.
